

# In Your Own Words

Using your CliftonStrengths Signature Themes Report, read the description of each theme and highlight the words, sentences and phrases that best describe you. Next, define each theme using your own words. Finally, identify one thing you like the most about each theme.

| Signature Theme | My Definition of This Theme in a Few Words | What I Like Most About This Theme |
|-----------------|--|-----------------------------------|
| 1)              |  |                                   |
| 2)              |  |                                   |
| 3)              |  |                                   |
| 4)              |  |                                   |
| 5)              |  |                                   |
