Think about two of your top five themes that you use every day when working with partners. Remove those two cards from either the CliftonStrengths Brief Theme Descriptions Cards deck or the CliftonStrengths Discovery Cards deck. Exchange your cards with a partner with whom you often work. Using your partner's theme cards, answer the questions below. Share your answers with your partner.

My Partner: _____

What value does this person bring to the team?

How do you benefit from partnering with this person?

How does this person maximize your effectiveness?

What can you always count on this person to do?

How do you complement each other?
