

# Performance Goal Plan

Briefly describe a current performance goal on the line below. List all the tasks that the team needs to accomplish to achieve its performance goal and list them in the order they need to be completed. Determine which team members would be best suited for each task. Write these team members' names and the strengths they will use to complete the task below.

Performance Goal: \_\_\_\_\_

Task	Best-Suited Team Members	Strengths They Will Use and How They Will Use Them to Complete the Task
