

Scavenger Hunt

Choose one of your top five and think about:

- one way this theme contributes to the team
- one way others might honor this theme

Walk around the room and find someone to pair up with. With your partner, talk about the theme you selected for this activity for one minute. Then switch roles. Repeat this activity with at least four different people. Write down what you learn about others below.

Team Member's Name	Theme	One Way This Theme Contributes to the Team	One Way Others Might Honor This Theme
Mary	Input	If you are looking for a certain document, it is very likely Mary has it, so ask her.	Send Mary information so that she knows what's happening within our team.
