

Together We're Better

Understanding a partner's top five CliftonStrengths themes is a great place to start to draw out the best in them. Share your top five themes with your partner, and use your own words to describe what each means to you. Then discuss how you and your partner are similar, different and complement one another.

My Name: _____

1)	2)	3)	4)	5)
What my top five themes mean in my own words:				

Partner Name: _____

1)	2)	3)	4)	5)
What my top five themes mean in my own words:				

How are we similar based on our top five themes?

How are we different based on our top five themes?

How do we complement one another based on our top five themes?
